

Chip in to Prevent Hunger

Wednesday, August 10, 2022, St. Boniface Golf Club
Registration 11:00 AM * Shotgun Start: 12:00 PM

Enjoy a day of golf, food, fun and prizes – while greatly benefiting vulnerable Manitobans who rely on Harvest for support.

We started 2022 with another wave of COVID-19, the omicron variant, that once again closed many businesses and filled our hospitals to capacity. These challenges created hardship for many during an already hard and cold winter. This past February, Harvest passed a grim milestone, the first time in our history that we provided food hampers to over 12,000 households in a single month. The need is not only in Winnipeg but in communities throughout the province.

Your sponsorship support will help us feed hard-working families, children, and adults, who continue to struggle through our province. More than 80,000 Manitobans receive food assistance through our provincial network of 325+ food banks and partner agencies in Winnipeg, rural and northern Manitoba, and First Nations communities every month.

Thank you for being a Harvest Star. Together, we can nourish our community, and our sense of community- so that we all Harvest the benefits.
