

About Harvest Manitoba

Harvest Manitoba (“Harvest”) is a charitable organization dedicated to nourishing our communities and our sense of community so that no Manitoban goes hungry. We receive 11 million pounds of food every year, which is sorted and packed largely by volunteers into Harvest Hampers and distributed to Manitobans through our Community Food Network of more than 325 food banks and agencies in Winnipeg, rural, northern and First Nations communities. Right now, we feed 80,000 Manitobans every month, 46% children. Our Food Distribution Centre, which includes our Emergency Food Support Assistance Line and Warehouse, is in our Winnipeg Headquarters.
