# MESSAGE FROM THE PRESIDENT & CEO

There will be inspiration in the air, greens teeming with supporters and optimism shining down every fairway. Whether this is a chance to meet new friends or recharge your personal commitments, you'll be motivated to be the change you want to see in your province.

Your sponsorship support will help us feed hard-working families, children, and adults, who continue to struggle throughout our province. Manitobans receive food assistance through our provincial network of 360+ food banks and partner agencies in Winnipeg, rural and northern Manitoba, and First Nations communities every month.

Together, we can nourish our community, and our sense of community- so that we all Harvest the benefits.

Last year, our generous sponsors enjoyed a day of golf, food, fun and prizes while greatly benefiting the lives of hungry Manitobans. If you've previously been a sponsor, we thank you and we hope that you'll be a part of our event again this year. If you're considering sponsoring our golf tournament for the first time, we'd be thrilled to have you on board!

## Why be a sponsor?

### Giving back helps our community

By sponsoring Harvest Manitoba's golf tournament, your contribution will ensure that every month a record number of Manitobans have access to healthy, nutritious food. We need your help now more than ever before.

### Get in front of your target market

The golf tournament is a perfect opportunity to network and have fun with tournament partners, players, and potential clients!

### Get your company noticed

Getting featured on our high-traffic Harvest Manitoba website with your logo and on our social media accounts totalling 30,000 followers are excellent ways to leverage your sponsorship. Your contribution will ensure your company receives valuable brand recognition while showing commitment to fighting hunger within our community.

## Lee Mae Newton

Lee Mae Newton founded Winnipeg Harvest in 1983, inspired by a documentary she saw on the development of the New York food bank "City Harvest". Lee led a small volunteer board that worked tirelessly to open Winnipeg Harvest on July 1st, 1985. She considered Winnipeg Harvest to be her purpose in life and was passionate about it, in her understated way. She also raised public awareness about hunger and the work of Winnipeg Harvest, now named Harvest Manitoba, through speaking engagements and interviews. Lee was loved and respected by everyone at Harvest and in the community that supported it, because she treated each person with the same concern and respect, from corporate sponsor to the newest volunteer sorting groceries. **Lee would be so proud of YOUR commitment and generosity to Harvest Manitoba. Thank you!**
