

Why We Partnered With Link2Feed

What will I be asked to share?

Basic information about yourself and household to allow us to prep for your next arrival.

Is it optional?

Yes! First/Last names and birthdays are required by individual receiving services to reduce duplicate accounts. **Most remaining questions are optional.** No services will be denied if you choose not to have your info on Link2feed.

Who can see my Information?

All info will be kept private with the Food Bank Network. No personal info will be shared with governing or third party organizations. **In addition, all reporting is anonymous.**

Will this limit my services?

Info will not be used to limit services at this or any other pantry. Sites can refer you to other services in your area if needed.

Increase Efficiency

You will only need to provide information once at any agency. From that point on when will keep it up-to-date.

Link2Feed is a network client intake software that enables this location to securely and confidentially collect and report on the needs within our communities.

We strongly believe in the power of collaboration. By connecting through **Link2Feed**, our network can enhance resource sharing, provide more comprehensive information and referrals, minimize food wastage, and effectively distribute resources to those in need.
