OCTOBER 16, 2025 | RBC CONVENTION CENTRE

Sponsorship Opportunities

On October 16th, 2025, Harvest Manitoba will host an evening that will nourish the soul – the return of our Empty Bowls Celebrity Auction.

Together, we can help feed Manitoba. Harvest supports over 100,000 Manitobans each month who benefit from its services through 380 food banks, school nutrition programs, education & training, and additional food security programs across our province.

Over 100,000. And that number keeps growing with every passing month.

The Empty Bowls dinner is our opportunity to provide significant funding that will feed the bellies, communities, and spirit of our province.

A gourmet soup and bread dinner will be served along with other culinary delights to our guests at the RBC Convention Centre. Our Empty Bowls Celebrity Auction will be the centre piece of this unique dining experience. We will host a live auction of one-of-a-kind, hand painted and autographed bowls from celebrity personalities along with other outstanding packages.

Help Harvest Manitoba continue its critical work across the province to build a healthier future for all where no Manitoban goes hungry.

Sincerely,

The 2025 Empty Bowls Celebrity Auction Committee

Vince Barletta
President & CEO,
Harvest Manitoba

Louis Trepel & Kristie Pearson
Event Co-Chairs

STORIES OF HOPE

tomi's family

We all want to give our children the world. So does Tomi. Tomi struggles some days to give his children a warm meal.

Made more difficult by his visual impairment, Tomi spares no effort to provide his family what they need for a better future.

Manitoba Harvest provides Tomi's family what they need to nourish them on that journey.

katherine & john

"Groceries that used to fill ten bags barely fill three now."

This is a reality for so many of us just as it is for Katherine and John. With rising prices, Katherine scours five or six grocery stores for bargains each month to try and get by.

Additionally, John's diabetes has worsened, making him insulin dependent, because the most affordable food choices are often the least nutritious options.

Manitoba Harvest ensures Katherine and John are able to access the nourishment and healthy choices they need to make ends meet at the end of each month.

Together, we can feed the families, fill the hearts, and fuel the spirits across Manitoba. On October 16th, let's nourish the soul.
