

WE ARE A HARVEST COMMUNITY

Harvest Manitoba is dedicated to nourishing and empowering our communities so that no Manitoban goes hungry. We operate the largest community food network in the province to alleviate hunger, promote access to nutritious foods, and support healthier living for those living in poverty in Manitoba.

Thanks to our generous community, Harvest Manitoba supports over 100,000 Manitobans every month, including children, seniors, and hardworking families, through a province-wide network of more than 380 partner agencies.

Did you know...

Harvest Manitoba is Canada's **4th largest food distributor**, and we share over **13 million lbs.** of food with our Community Food Network every year?

OUR PROGRAMS

Since 2018, Harvest has provided K-8 students in underserved communities with kits of healthy food items, helping children stay on top of their nutrition over the weekend so they're ready to learn on Monday morning. Currently, the program feeds 5,000 students every week.

Thanks to generous donor support and corporate involvement, our 6-week training program teaches warehouse skills to Manitobans facing barriers to employment. This program helps students improve their financial situation, leading to less reliance on food banks and a brighter future.

Since 2008, we have provided baby formula, baby cereal, diapers, and other infant care essentials to struggling parents with newborns.

Since 1986, Harvest has redistributed our community's produce to our food bank clients. Grow-A-Row has yielded over 4 million lbs. of produce in total, which translates to approximately 100,000 lbs. annually!

Today, Harvest Manitoba is one of the leading food banks in Canada that promotes and delivers food security programs in partnership with Indigenous communities.

This year alone, we have delivered over 250,000 pounds of healthy, fresh food by air and ice road spread over 26 trips to Anishininew Okimawin. This includes a mix of non-perishable food items such as flour, cooking oil, beans, pasta, etc.

MILESTONES IN GENEROSITY

32 million

over \$32 million in food was donated to Harvest Manitoba by our generous partners.

In 2023/24 an average
20,221

households visited a food bank monthly.

Harvest collects and shares
13 million lbs
of healthy and nutritious food to hungry hardworking families and seniors in Manitoba every year.

As of March 2024, our network supported over
100,000
Manitobans every month.

Our volunteers put in more than
66,000
volunteer hours per year to meet the needs in our community.
